## *N. F. A.*

Above is shown a picture of a portion of sixty boys enrolled in a course of Vocational Agriculture at Dunbar High School. These boys have made an outstanding contribution to the N. F. A. Fair that has been given this school year. Donald Staton, the president, won third place in a contest of rafter and step cutting competing with nine schools. A theme was also presented by Donald Staton on his supervised practice work, as to how the local farm has helped him in his accomplishments.

Pride is taken by this group of boys in doing work around their homes and at school. Some of them have done outstanding work in the farm shop, such as repairing plows, harrows, axes, and many other items used around the house.

# HONORS

## *Basketball Team*

The squad of '50 and '51 proved to be one of the best in the history of Dunbar School. Coach Koontz combined height, speed and accurate shooting to get a team that spelled trouble for any high school five.

They won nineteen games, lost two, and were runners up for the Western District Championship. For the second consecutive year they were invited to the state play-off. This year they won the game from Artesia High School of Hallsboro, North Carolina.

Capatain Nollie Davis was chosen the most outstanding player of the play-offs, having made a new record of thirty-eight points.

Mr. Koontz considers this team the best he has had since coming to Dunbar. The team had this motto, "A team that can't be beaten, won't be beaten."
